DAAAM 2021 - Virtual Online Conference!

Dear Authors,

due to the still unpredictable COVID-19 situation, the 32nd International DAAAM Symposium - 2021 will, once again, take place as a virtual online edition, this time hosted by Vienna University of Technology, Vienna, Austria, EU.

We are indexed in Scopus!

We are happy to tell you that the Proceedings of the 31st International DAAAM Symposium, 2020 has been indexed in Scopus! Please inform your colleagues. All papers are cross-referenced and are permanently accessible on the Internet over CrossRef for free of charge download. Curran Proceedings - New York is publishing on demand the book form of the proceedings. The book copy will be available for purchase (for you and/or your library) at a significant DAAAM member discount [here](#).

DAAAM Symposium - Virtual Online Edition

Encouraged by the huge success of the last virtual DAAAM Symposium, we are proudly informing you that the preparations for DAAAM Week 2021 and the 32nd DAAAM International Symposium are running excellent. The 32nd DAAAM Symposium will be held online and hosted by Vienna University of Technology, Vienna, Austria, EU, under the auspices of Danube Rectors' Conference during the period 28th-29th [October 2021](#). We are looking forward seeing you online. More info about the symposium is available [here](#). Enjoy in all the beautiful moments available in our [Gallery](#)

Proceedings

All accepted papers will be published in the proceedings of the 32nd DAAAM International Symposium. All papers will be cross-referenced and over CrossRef they will permanently be accessible on the Internet, for free of charge download. [Curran Proceedings – New York](#) will publish the book form of the proceedings. Proceedings will be sent to the evaluation for indexing in all relevant databases.

Services, Fees and Payment Procedure

Everything about DAAAM services, fees and payment procedure is available [here](#).

Publishing Procedure

First step: Apply or renew your 2021 [DAAAM Membership](#)

Second step: Download the appropriate, official [DAAAM 2021 templates](#)

Third step: Submit your prepared files by login in your [DAAAM Profile](#).

Fourth step: Finalize the publishing procedure, by [completing the payment](#).

Video Paper Presentation

Video paper presentations of Conference papers (“a” & “b” type) are mandatory. Authors will know their exact day/section as announced in the official DAAAM Final program. At that moment author(s) must be present and ready to answer the questions. If the author(s) are not ready to answer the questions, organizers may reject to publish the paper in the proceedings. Detailed instructions are available [here](#).

The call for papers is announced for

1) The 32nd DAAAM International Symposium on Intelligent Manufacturing & Automation. For more information click [here](#).

2) 20th DAAAM International Scientific Book 2021. Find more information about DAAAM Scientific Book click [here](#).

10th DAAAM International Doctoral School

Due to still current COVID-19 global restrictions, the 10th DAAAM International Doctoral School will be organised as virtual lectures within the frame of advanced topics for invited doctoral students - applicants will be contacted directly for further instructions.
