**PREDMET:** UNESCO – Poziv za dostavljanje nominacija za UNESCO Kalinga nagradu za popularizaciju znanosti za 2021. godinu – dostavlja se

Poštovani,

Obavještavamo vas da je UNESCO otvorio poziv za dostavljanje nominacija za UNESCO Kalinga nagradu za popularizaciju znanosti za 2019. godinu.

UNESCO Kalinga nagrada za popularizaciju znanosti je zajednički ustanovljena od strane Kalinga fondacije, Vlade indijske države Orisa i Vlade Indije i dodjeljuje se svake dvije godine osobi koja je napravila značajan doprinos popularizaciji znanosti. Nominirana osoba treba da je posvetila karijeru tumačenju znanosti, istraživanja i tehnologije širokoj javnosti s ciljem poboljšanja razumijevanja i traženja rješenja za lokalne, regionalne i globalne izazove.

ominirana osoba može biti pisac, redaktor, predavač, urednik ili producent radio/televizijskog ili filmskog programa i očekuje se da poznaje ulogu koju znanost, tehnologija i, uopćeno, istraživanje imaju na poboljšanje dobrobiti društva, obogaćenje kulturnog nasljeđa i rješavanje problema čovječanstva. Mnogi od dosadašnjih dobitnika su i sami bili znanstvenici, dok su drugi bili novinari, prosvjetitelji ili pisci. Nagrada se dodjeljuje samo pojedincu i rad u komu su sudjelovale dvije ili više osoba neće biti uzet u razmatranje.

Prijedlog nominacije treba da sadrži:

- Pismo preporuke (od nacionalne udruge za unapređenje znanosti, akademije znanosti ili drugih znanstvenih udruga, i/ili nacionalnih udruga znanstvenih pisaca ili novinara),
- Osnovne informacije o kandidatu i opis njegovih postignuća,
- Kratak pregled rada ili ishoda rada na popularizaciji znanosti,
- Opis na koji je način rad kandidata doprinjeo popularizaciji znanosti,
- Relevantnu prateću dokumentaciju (publikacije, knjige, članke, digitalne fajlove, itd)
- Listu priložene prateće dokumentacije,
- Listu prijevoda.

Prijedloge za nominaciju je potrebno dostaviti, na engleskom jeziku i uz prijevod na jedan od službenih bh jezika, u 5 tiskanih primjeraka i u elektroničkoj formi (na CD-u), Državnom povjerenstvu BiH za UNESCO, najkasnije do 23.4.2021. godine.

Molimo da ovu informaciju učinite dostupnom potencijalno zainteresiranim stranama.

S poštovanjem,

Ref.: SC/PCB/SPP/21/703

Sir/Madam,

It is my honour to invite your Government, in consultation with your National Commission, to submit a nomination for the 2021 edition of the UNESCO Kalinga Prize for the Popularization of Science. For your information, please find the General Rules of the Prize enclosed.

Jointly funded by the Kalinga Foundation Trust, the Government of the State of Orissa of India, and the Indian Government, this Prize aims to distinguish a person who has made a significant contribution to the popularization of science or technology, as a writer, editor, lecturer, radio/television/web programme director or film producer.

One candidate will be nominated by each Member State, through its National Commission for UNESCO, upon the recommendation of national associations for the advancement of science, academies of science, national associations of science writers and scientific journalists, or any other associations working in the field of science and the popularization of science. Unsolicited applications by individuals cannot be considered.

Each application shall include a cover letter, and the following documents, in English or French:

- a. A description of the candidate's background;
- b. The completed submission form;
- c. The work, or a summary of the work, of the candidate on the popularization of science, including publications and all other supporting materials, which may help the decision of the jury; and
- d. A description of how the candidate's submitted work has contributed to the popularization of science.

The application dossier should preferably be sent by e-mail. If, however, it must be sent by postal services, it should include five hard copies or five digital supports (USB, CD or DVD) of the complete dossier.

Applications should be addressed to the Kalinga Prize Secretariat at UNESCO:

**GENERAL RULES**  
**UNESCO KALINGA PRIZE FOR THE POPULARIZATION OF SCIENCE 2021**

**Purpose**

The Kalinga Prize rewards the exceptional efforts of a person who has had a distinguished career as a writer, editor, lecturer, radio/television programme director or film producer, which has enabled her/him to help interpret science, research and technology to the public. He/she is expected to be knowledgeable of the role of science, technology, and general research in the improvement of the public welfare, the enrichment of the cultural heritage of nations and the solutions to the problems of humanity.

The objective of the Prize is in directly in line with UNESCO's policies and is related to the Programme on the popularization of science.

**Donors and Prize**

The Prize is funded by the Kalinga Foundation Trust, the Government of the State of Orissa, and the Government of India (Department of Science and Technology). It will be awarded by the Director-General of UNESCO at the World Science Forum, tentatively planned for December 2021 hosted by the Government of South Africa.

The award consists of a cheque for the amount of the prize US\$40,000, an award certificate, and the UNESCO-Albert Einstein silver medal. The laureate will also receive the Kalinga Chair as established by the Government of India (Department of Science and Technology) which comprises a certificate and cash award of US\$5,000.

He/she will be invited to travel to India (travel and accommodation will be provided by the Government of India), for a two to four-week tour to interact with scientists and science communicators. He/she will be provided with appropriate facilities to familiarize herself/himself with Indian life and culture, Indian research and educational institutions, and the development of India's industry and economy. He/she will also be invited to visit Indian universities, and attend meetings within India's scientific societies, particularly those of the Indian Science Congress Association. While in India, the Prize-winner will be asked to deliver lectures in English, and to take part in meetings in order to present recent progress in science and technology as well as the social, cultural and educational impacts of modern science.

**Application process**

The Prize is destined to candidates having contributed significantly to the popularization of science. The Prize may be awarded only to individuals. A work produced by a group of people shall not be considered. Applications shall be submitted to the Director-General through the governments of Member States, in consultation with their National Commissions, or through Non-Governmental Organizations maintaining formal relations with UNESCO. A self-nomination cannot be considered. Each Member State and Non-Governmental Organization may designate one candidate.

Each application shall include a cover letter, and the following documents, in English or French:

- a) Description of the candidate's background;
- b) Completed submission form;

c) Summary of the work, or the results of the work, on the popularization of science, including publications and other supporting materials, to be submitted for consideration;

d) Description of how the candidate's submitted work has contributed to the popularization of science.

**The application dossier should preferably be sent by email. If, however it must be sent by postal services, it should be sent in either five hard copies, or on five digital supports (USB, CD or DVD).**

Applications should be addressed to the Kalinga Prize Secretariat at UNESCO, preferably by email:
