

THE 16TH BALKAN EDUCATION AND SCIENCE CONGRESS (IBES-2025)

Esteemed Colleagues,

We are honored to invite you to **the 16th International Balkan Education and Science Congress (IBES-2025)**, which will be held on **October 15–17, 2025** in **Edirne, Türkiye**, hosted by the **Faculty of Education at Trakya University** (Edirne–Türkiye), in collaboration with Trakia University: Stara Zagora (Bulgaria), Ss. Cyril and Methodius University (North Macedonia), University of Zagreb (Croatia), University of Ioannina (Greece), University of Kragujevac (Serbia), and University of Pristina (Kosovo).

IBES-2025

The congress aims to bring together researchers, educators, and all stakeholders working in the field of education to discuss current developments, exchange knowledge, and foster interdisciplinary collaboration under the theme "Artificial Intelligence and the Future of Education: Transforming Teaching and Learning."

Conference languages

The official language of the congress is English. However, participants may deliver their presentations in either Turkish or English.

Abstract

Abstracts will be submitted via the Submit a Paper [link](#). The abstract should include the purpose of the study, the methodology used, the findings and conclusions (for completed studies). Abstracts to be presented at the congress should be between 250 and 600 words.

Each presenter may submit a maximum of two paper proposals one as the main author and one as a co-author.
